BACKGROUND

There has been an ongoing drainage problem in the rear of the properties located at 7369 Earlsford Drive and 7361 Earlsford Drive, which are owned by Douglas H. Loynes and Julie C. Johnston, and P. Anthony and Amy R. DeAngelo, respectively (hereinafter referred to collectively as "Grantors"). The two properties are identified as Franklin County Parcel Nos. 273-004916 and 273-004915, respectively.

The City desires a storm sewer easement through a portion of the Grantors' properties in order to construct and maintain a storm sewer to address the drainage problem (the "Project").

After engaging in amicable discussions, the Grantors have agreed to donate the storm sewer easements to the City in order to construct and maintain a storm sewer. The ordinances authorize the execution of conveyance documents to accept these grants of easement as a donation from the Grantors. The acquisition is detailed on the following page.

ACQUISITION

The City will be accepting from the Grantors only the property interests necessary for purposes of the Project, as depicted in the legal description and depiction attached to this memorandum. The property interests are detailed below.

RECOMMENDATION

Staff recommends approval of Ordinance Nos. 93-14 and 94-14 at the second reading/public hearing on September 22 in order to finalize the donation of the storm sewer easements from the Grantors to the City, and continue moving forward with the Project.
